

Whatever It Takes

At a crossroads in life, one man will do whatever he must to rekindle the spark. It takes an eye-opening talk for Riley Gordan to realize there's something wrong in his twelve-year relationship with Conor Flemming. He creates extravagant events for same-sex proposals and weddings to over-the-top holiday parties, but he never considered one for Conor and him. Busier than ever, he realized his time with Conor had shrunk. He decides to use his event planning skills and put them to work to rekindle the spark. Conor Flemming creates extraordinary cakes for anything from a cancer survivor's celebration of life to a same-sex wedding, but never one for himself. When it comes to his life with Riley, he knows it's failing, but not sure where it all went wrong. The silence hurts and worries him. Until a flurry of text messages changes the situation.
