

Christine and Seth: Mail Order Bride (Christian, Clean, Sweet Romance) (Inspirational Western Short Story): Sweet Western Historical Romance (Laramie Wyoming Book 1)

Christine James is a very fortunate young woman. From a wealthy family and in love with a handsome young man, her life seems complete. But on the night that her engagement is to be announced, she gets the shock of her life when her father announces that her beloved is engaged to her older half-sister! Christine is beside herself. While her love refuses to go against her father's wishes, she feels she has to get away. Tired of having no say in her life, she comes across an ad to be a mail order bride and soon she heads off to Laramie, Wyoming. But she's in for a shock when she finds out the man knows nothing about her and worse still he has a child. How will Christine cope? Will she be sent packing despite the good intentions of a sister-in-law. But how will the princess of the city fare in the wild West? What happens when her father hires the Pinkerton agency to track her down? Seth Morgan is a kind and gentle widower with a little daughter. But there is a sadness about him and he sees it in his child too. His sister-in-law wants him to find love and unbeknownst to him places an ad for a mail order bride. She is shocked when she meets the very refined Christine. Christine is designed to be admired, not for the hard work a ranch requires. How will Seth react when his new wife to be is presented to him? Follow along as Christine begins to bring joy to the father and daughter. Slowly she begins to see how strong she really is and watches how a real man fights for his woman. But will her father succeed in bringing her back home?
